woman's face covers the
page. She has a ponytail
and sports a feathered
hat*

*the woman with the
ponytail dressed only in a
flowing robe*

*a giant beetle. The
word Knight is written in
untidy script at the
bottom of the page*

*a small pond in a
forest. A fallen log lies
beside the water, and the
ponytailed woman sits*

*the ponytailed woman
stands on the shore. She
is seen from the back,
the ocean spreading out
in front of her*

*a thickly pencilled image
of the ponytailed woman
kissing a moustached man.
Several tearstains dot
the page*

*the ponytailed woman
sits behind a dinner table,
a loaf of bread in her
hands*

*the ponytailed woman
dances among a bed of
flowers, holding a
pyramidal crystal in her
hand*

*the ponytailed woman
lies sleeping on a soft
bed. She wears only a
skirt and a long-sleeved
shirt*

*the ponytailed woman
wears a large floppy hat
and holds several bottles
in her hands*

*the ponytailed woman's
face, similar to the one
found on the first page.
She wears no hat, and a

sweet smile is seen on
her face*

*the ponytailed woman
sits bareheaded, needles
and cloth in her hands,
working on complex
stitchwork*

*the ponytailed woman's
face, hatless, with a very
embarrassed look on her
face, and very deep
blushing*
